

March 18, 2021

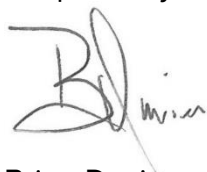

**UPDATE**

To the individuals we support, their families and our community partners,

On March 8, we advised that a staff working within our residential programs at Fly Road had tested positive for COVID-19. We are pleased to advise that this staff has made a full recovery! There have been, and currently are, no other confirmed cases.

These difficult times continue to remind us of the amazing staff and Familyhome providers we have at Bethesda and the wonderful community we are a part of. It is our honour to be a part of your lives and we thank you.

Respectfully,

Brian Davies  
Chief Executive Officer  
Bethesda
